Chemical product information

We are one of the largest Belgian traders, distributors (exclusive, non-exclusive), for chemicals and allied products, cosmetics, ingredients and pharmaceuticals worldwide

Started in 1951 under the name Ets George Arion, this business was acquired by Pionvier & Kreglinger in 1985 (since 1998, G & C Kreglinger). In 1998, Ets George Arion merged with Cy Chemical Products Delnhaye and became Arion & Delnhaye s.a. End of 2002, operations were restructured under the KREGLINGER EUROPE s.a.

We distribute in Belgium / Grand Duchy of Luxembourg / the Netherlands, United Kingdom and France. Some products are also distributed in other European countries.
